"Freckles"—Nora Bayes' Bad Boy Song

Now we have Nora Bayes' bad boy with whom she went to school. He pulled the curls of the little girls, and fractured every rule. "Freckles" was just as bad a boy as Nora Bayes is funny. On the same record Nora sings "Everybody Calls Me Honey." A-2816—85c

"Tell Me"—A Love Song Sung by Al Jolson!

At last Al Jolson has fallen in love! And it puzzles him a lot! He wants to be told why his nights are lonesome and his days blue without his sweetheart. Coupled with "Wonderful Pal," the first record of George Meader, the new Columbia tenor. A-2821—85c

Columbia Sextette Saxophones "Oh, What a Pal Was Mary"

And oh, what a waltz it is—played by the Columbia Saxophone Sextette with an incidental chorus by Grant Stephens! Coupled with "Weeping Willows Blues," a fox-trot played by that same Sextette. A-2819—85c

These are only a few of the many new records for the month.

A Shooting Fish.

A shooting fish in the East Indies has a hollow cylindrical beak. When it sees a fly on plants that grow in shallow streams it ejects a single drop of water, which knocks the fly into the tide.

Should be Quarantined

Many physicians believe that any one who has a bad cold should be completely isolated to prevent other members of the family and associates from contracting the disease, as colds are about as catching as measles. One thing sure—the sooner one rids himself of a cold the less danger, and you will look a good while before you find a better medicine than Chamberlain's Cough Remedy to aid you in curing a cold.
